**PETITION UNDER 37 C.F.R. 1.181 TO WITHDRAW HOLDING OF ABANDONMENT
IN ACCORDANCE WITH MPEP §711.03(C) AND 1156 O.G. 53**

Sir:

As set forth in MPEP § 711.03(c) and 1156 O.G. 53, Applicant hereby petitions to have the holding of abandonment of the above-identified application withdrawn. The application went abandoned because Applicant's undersigned representatives never received the Notice to File Missing Parts that was mailed on February 5, 2001. The following materials are submitted in support of Applicant's petition:

1. a copy of the undersigned firm's docket report (with client names and application titles redacted) showing all final due dates docketed for a two-week period from April 2, 2001 through April 16, 2001, which includes the date the response would have been due (April 5, 2001).

Our standard procedure when any communication from the Patent Office requiring a reply is received is to docket the due date for the reply that is indicated in the communication; the docket entry is made in the docket for the individual attorney who is responsible for the particular application. Hence, if the Notice to File Missing Parts had been received by us, the response due date of April 5, 2001 would have been entered in the firm's docket and thus would have appeared on the enclosed docket report. As the docket report shows, the Notice to File Missing Parts in the above-identified application was never docketed, indicating that it was not received by us. The undersigned has also searched the file jacket for the above-identified application and the search indicated that the Notice to File Missing Parts was never received by us.

In re: Shakespeare
Appl. No.: 09/991,034
Filing Date: November 21, 2001
Page 2

In view of the foregoing remarks and the enclosed evidence indicating that the Notice to File Missing Parts was not received, Applicant respectfully requests that the instant petition be granted and that the holding of abandonment of the application be withdrawn. Applicant requests issuance of a new Notice to File Missing Parts.

It is believed that the present petition is treated as a petition under 37 C.F.R. 1.181, and that no fee is applicable. However, if any fee is due, please charge the fee to our deposit account No. 16-0605.

Respectfully submitted,
